The 2nd Council for the International Deployment of Aviation Infrastructure

Ministry of Land, Infrastructure, Transport and Tourism (MLIT) has established the “Council for the International Deployment of Aviation Infrastructure” to actively promote the Japanese style aviation infrastructure overseas through public-private partnerships (PPP) and has been engaged in the joint efforts. Please be informed of a brief overview of the 2nd Council as shown below.

■Composition of the Council

- Chairman ▪ Takashi Imai, Honorary Chairman, Nippon Steel & Sumitomo Metal Corporation
- Vice-chairman ▪ Satoru Ogata, Executive Vice President, Manager of International Office, Taisei Corporation
- “ ▪ Masanori Kondo, Deputy Chief Division Officer of Machinery, Energy & Project Division, Toyota Tsusho Corporation
*Mr. Kondo also serves as Chairman, Economic Cooperation Committee, Japan Foreign Trade Council, Inc.)
- Council Members ▪ 69 persons from private companies, 11 persons from authorities concerned, 2 persons from MLIT and 3 observers from ministries concerned.

■Details of the Council

Date : June 2 (Monday), 2014 4:00pm-5:00pm
Venue : The “Golden Room”, Hotel Grand Palace, Tokyo
Main Agenda : Past efforts & future plans

■Outline of Discussion

- Chairman Imai made his opening remarks that infrastructure projects in the aviation sector are broad in scope and it is vital to facilitate

diversified PPP considering the characteristics or unique circumstances of each case and he hopes that the efforts being made by the council will contribute to the further deepening of PPP.

- In the discussion on the past efforts and future plans, the council decided to actively continue carrying out various activities through PPP, including visiting missions, sales promotions by the heads, business matchmaking and various study sessions based on the results, such as overseas visiting missions and joint sales promotions by the heads of public-private sectors.
