

March 12, 2015
Capital Area Airports Division
Aviation Network Department
Civil Aviation Bureau (JCAB), MLIT

Establishment and Holding of the 1st “Advisory Meeting on the Effective Communication to Further Increase Haneda Airport Capacity “

Regarding further increase in Haneda Airport capacity, MLIT is making continued efforts to gain broader understanding of local residents with the assistance of local governments, having interactive dialogues and disclosing information to the public.

In order to seek the advice of experts regarding the effective ways and steps to take, JCAB has established the above Advisory Meeting, and its first meeting will be held as follows.

Overview

1. Date
March 16 (Monday) 18:00 - 19:30PM
2. Venue
Shared Conference Room on the 10th floor at Central Government Building No. 3
3. Agendas
 - Basic Concept of Effective Communication
 - Effective Communication Ways, etc.
